HOSTS

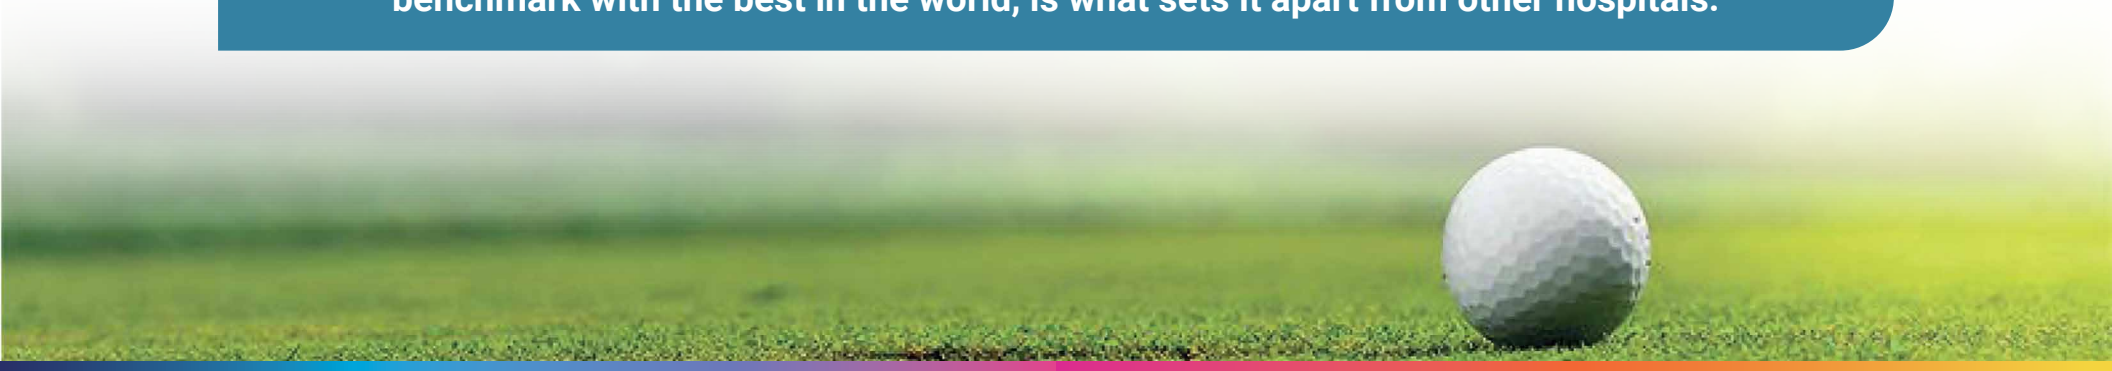

CURE foundation

Apollo Cancer Centres

Cancer Care Units Research and Education - A spirited initiative to create consciousness on cancer prevention, early detection, cure & rehabilitation specially for the needful.

In addition to spreading awareness for the benefit of the society, the foundation has so far made available free/subsidized quality treatment to more than 1500 cancer survivors, and engaged in numerous rehabilitation, research and education programs at Apollo Cancer Institute, Hyderabad.

Apollo Cancer Centres, Hyderabad is the first super-specialty cancer hospital in the country. Technological supremacy, global protocols, outstanding clinical expertise and outcomes that benchmark with the best in the world, is what sets it apart from other hospitals.

FOUNDER

CURE FOUNDATION

Cancer care **U**nits **R**esearch and **E**ducation

The Founder
Dr. Vijay Anand Reddy

Dr. Vijay Anand Reddy is an universally acclaimed oncologist. As the Director of Apollo Cancer Centres, Hyderabad Dr. Reddy is instrumental in the establishment and rise of the institute. It is with his continued passion and belief in the fact that cancer is curable and that the treatment of cancer should be accessible to people from all walks of life, that he leads CURE foundation.

www.drvijayanandreddy.com

OUR OBJECTIVES

2026 Title Sponsor

APARNA ENTERPRISES LTD. – COMMITMENT TO COMMUNITY & CARE

Aparna Enterprises Ltd. has grown with a strong belief that true progress goes beyond business success. Built on decades of experience, disciplined leadership, and a people-first approach, the organization has continuously focused on creating sustainable value—for its employees, customers, and the communities it serves. From strengthening core operations to expanding into diverse product categories, the company has evolved into **India's No. 1 Building Materials Manufacturer**, with trusted brands such as Aparna Venster, Okotech, and Vitero Tiles, Alteza, Externa, Aparna Unispace, Aparna RMC, Rollform and many more.

At the heart of Aparna Enterprises' journey lies a deep commitment to responsible growth. The organization believes that when people within the system thrive, it creates a ripple effect of long-term, positive impact outside it as well.
This philosophy extends naturally into its social responsibility initiatives.

The contribution to Cancer Cure Foundation reflects Aparna Enterprises Ltd.'s dedication to supporting healthcare, compassion, and hope. By partnering with institutions that work tirelessly to heal and uplift lives, the company aims to play a meaningful role in strengthening communities and standing alongside those fighting life's most challenging battles.

OUR PATRONS

KAPIL DEV

"I'm honoured to be launching this one of a kind invitation only fundraiser golf tournament, especially during this special year of my winning the Arjuna."

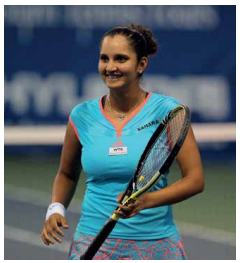

2010

AKKINENI NAGARJUNA

"I am very happy to be associated with this initiative. They are doing something fantastic here, and it is a pleasure for me to help them out."

2012

SANIA MIRZA

"Both sports and helping people however I can are very important things to me. This is a great event that combines both. Being associated with a noble cause like this delights me."

2014

TAMANNA BHATIA

"We all have a social responsibility to care for those battling against adversity despite being so young."

2016

KAJAL AGGARWAL

"Its rendering in the crusade against the dreaded disease and I am willing to do whatever little i can do towards this."

2018

POOJA HEGDE

"I just wanted to do my bit, children are resilient and most children with cancer can be treated and not having money should not be something that stops that. Hoping to do more soon."

2020

RAKUL PREET SINGH

"Taking care of underprivileged children diagnosed with the dreadful disease like cancer is highly commendable. I am so happy to be associated with CURE Foundation. We should all do our best to support this cause."

2022

KIRTHI SHETTY

"It is heart breaking to see children suffer from such a serious illness. Every child deserves love, care, and the best treatment. The CURE Foundation is doing outstanding work in making this possible."
